Optional Purchases

Website: Show your professionalism by starting out with a replica of www.HomeTutoringPlus.com. This site is tailored specifically for in-home services following our proven plan to become successful. The price includes customizing the site with your name, logo and colors as well as one year of hosting.

Software: Expensive customized or web-based software is NOT needed to run this business. Many off-the-shelf packages will work fine. If you choose to use Act!, we suggest purchasing our customized lay-out. This software interface allows you to perform essential tutor/student matching instantly. Our Tutoring Log requires a spreadsheet program such as Excel or Open Office (free!)

Additional Consultation: Use only what you need when you need it. We are available by phone, email, or in-person at our site or yours.
